

I understand you are considering preempting state  
Telephone Privacy laws in favor of adopting one lower national standard.  
I just want you to know how much I am against this. I just recently  
got OFF everyone's list by going to the Attorney General. I have  
never been so please our JUNK phone calls have gone from  
25 per day to 1 or 2 We have a Lot more Peace in our house now.  
I should not have to put up with all these JUNK CALLS.  
Please don't change the law we have to have some peace Someplace!!!
